

Cameron's Chinese Timeline

The Construction of the Great Wall
 - In 770 BC to 476 BC the Great Wall was started by building off of original fortifications. In 214 BC an emperor ordered the construction for the great wall to be finished, it finished 10 years later and expanded from Linzhao to Liaodong. In the end the wall was renovated 18 times and exspans over 6,700 kilometers of China.

Mao Zedong
 - Beijing, led by Mao Zedong, him and 62 other people formed the peoples republic in october 1, 1949 after the overthrow of the republic of china and the peoples liberation army was formed during that time to protect the people of China.

Zhou Enlai
 - On January 8, 1976 Zhou Enlai died in that year two other great leaders also died Zhu De in July and Mao Zedong in September. after the three deaths massive demonstrations were held in Tiananmen square for the three leaders.

Cultural revolution
 - Mao Zedong from 1966 to 1976 he started the cultural revolution to get ride of the four olds, old habits, old customes, old Ideas, old culture, and to Inforce all of these customes the red army would go to villages and towns and kill anybody that still used the four olds.

Tiananmen square
 - On April, 1989 college students started the protest for democracy in Tiananmen Square after the gathering was finished for Mao Zedong. A couple weeks later the president of Russla came to china to tour Beijing and other city's but the students had went on a hunger in Tiananmen Square so the Russian President did not get to see the square and after the president left the Chinese gouverment declared Martial law on May 20 and that the square was to be emptied. But the gouverment did not clear the square because citizens and the students held them back from the square. But on June 3 to the 4 the square was to be cleared the square by the pla soldiers. That night on June 3rd the gun fire rolled out on the people in Tiananmen square from 180 to 500 hundred thousand people were killed in those two nights and days.
