# Chinas Historic Timeline

## Great Wall of China

1368-1664

The Great Wall was created millions of years ago.The Great Wall started out as a wall of dirt and became throughout the years, that it has been in existence, has became what it is today. The main reason that the Great Wall was created was to protect their citizens from enemies during the war, mainly the Huns.The Great Wall is over 5000 miles long.

## Mao Zedong proclaims the establishment of the People's Republic

October 1st,1949.

The peoples republic was formally established, with its national capital Beijing."The Chinese people have stood up", said Mao as he declaired the creation of the peoples democratic dictatorship. The people were defined as a coalition of four social classes: the workers,the pesants,the petitit bourgeoisies and the national-capitalists.The four classes were to be led by the Chinese Communist Party.

## The Cultural Revolution

1966-1976

The Cultural Revolution took ten years to end. It all started because Chairman Mao wanted to become dictator,so that he would be in charge of China. He also wanted for everyone to listen to him and do as he says.

Demonstrations by College Students to Protest the terms of the Treaty of Versailles

On June 28,1919 the leaders of Aillas met at the palace of Versailles to discuss the peace settlements after "The Great War".

Decisions that they would make that day would influence Europe for the next twenty years.Some people believe that their decisions led to another world War twenty years later.The protest by college students in China were to increase the freedom to express your opinion in their country.
